CUTTING EDGE BUSINESS & MARKETING COURSES

Kingswood Business Program

English level Intermediate or Above 9 - 17 year olds

Kingswood Canada's business and marketing program has been carefully designed for the young business minds of today and the CEOs of tomorrow!

Our 'Explore Business & Marketing ' Course provides you with a broad introduction to business, finance as well as all aspects of marketing equipping you with the skills to innovate and successfully launch and manage your own business. Most importantly, you will develop the mindset to become a groundbreaking entrepreneur.

All Students get immersed in the exciting world of innovation through compelling case studies on companies like Tesla and TikTok and study profiles of leading innovators like Elon musk and Steve Jobs.

Take centre stage at the end of program and apply your skills in the explore business shark tank challenge where you will collaborate with your fellow students to pitch a new business idea and engage with real entrepreneurs who are leading new business ideas to success as well as develop the necessary English language skills!

CANADIAN THEMES

A Canadian Winter camp is the perfect environment to not only learn English language business skills, but also explore wonderful Canadian culture and traditions.

Each day our highly skilled teachers will include themes and events to supplement classroom learning.

Each week, students will participate in an awards and graduation ceremony to celebrate their achievements.
