

School District No.22 (Vernon) INTERNATIONAL STUDENT PROGRAM

The Vernon School District's International Student Education Program provides foreign students with the unique opportunity to receive an outstanding education in one of the most scenic areas of Canada.

Students in the program benefit not only from its high academic standards, but from the opportunity to experience a rich Canadian culture in an English-speaking community.

The Vernon School District's International Student Education Program is offered at five secondary schools enrolling students from Grade 8 to 12. Students have access to all subjects in the British Columbia secondary school curriculum as well as a choice of exciting specialty programs including Online Education, Soccer, Skiing, Snowboarding, Golf, Hockey, Outdoor Education and Forestry. Vernon is located in the beautiful Okanagan Valley, famous for its orchards, vineyards, lakes and mountains. The Okanagan is a year-round vacation area. Summer activities include boating, fishing, mountain biking, hiking, sailing, swimming and golf. In winter, the Silver Star ski resort offers some of Canada's best Nordic and alpine skiing as well as snowboarding and other winter pastimes. Professional instruction in all summer and winter activities is available.

With a growing population of about 57,000, Vernon is a safe and friendly community that has many amenities found only in larger cities. Whether they live in a city or country setting, students have easy access to a variety of shopping and entertainment options.

An integral part of the study-abroad experience is staying with a caring Canadian family. Carefully selected by our Homestay Coordinator, each family will provide a safe and comfortable home environment to ensure a fulfilling and memorable experience.

English Preparation Program

This one- or two-week program is for students whose second language is English and would like to receive additional English instruction prior to starting their program in September. The program will run the last week of August.

Great Canadian Summer Program

"Learn English, Have Fun!" This program is designed to help students improve their English skills through classroom instruction focused on reading and comprehension, academic writing, and speaking. A typical day will include English instruction in the morning and fun activities in the afternoon.
